

VICE PRESIDENT

11-1-09

2009 has been a very good year for Ohio Horseman's Council. My time as OHC Vice President has evolved to include: working closely with President Rick Patterson, working behind the scenes to resolve many day-to-day issues that plague every organization, trying to keep abreast of everything that is occurring in OHC and stepping in where ever help is needed to keep OHC moving forward. Sometimes I succeed and sometimes I don't, but most of the time everything works out pretty well.

I tried to attend and take part in as many OHC events as my schedule would allow. A few of them were: The Executive Cabinet planning meeting at Maumee State Park, Equine Affaire, The All American Youth Show, state, regional and local rides, co-chaired the Gibby Memorial Ride, state meetings, work parties and numerous committee meetings.

I am very pleased with the new programs that have been started this year. The 'Hours in the Saddle' and the 'Youth' programs are long over due additions to OHC 's growth and commitment to our members.

I wish to thank everyone who has seen fit to make OHC a part of his or her life. As a volunteer organization we depend upon the generosity of our members to keep moving forward. Without the hard work of many members we would not have the organization that we have today. Thank you all.

I am looking forward to 2010. Equine Affaire will be here before we know it and a new riding season is just a few months away. See you on the trail or in the show ring or at an OHC event. Jack Weese
