

# East Fork Stables Trail Rating System

**White Blaze:** Generally good footing with easy climbs and moderate mud when wet. Stream crossings with good approaches. Average skill level/conditioning. Shown as a black line trail on this map.

**Green Blaze:** Some steep approaches to stream crossings or large boggy areas during wet weather. Use caution, horses should be accustomed to trail riding. Shown with a green highlight on this map. Formerly yellow trails.

**Red Blaze:** Very steep and rocky in places, long climbs, rough footing, rock ledges, remote. Experienced riders with horses in good condition and experienced on rough trails. Shown with a red highlight on this map.
