

OHC Equine Affaire® Booths Planning Committee Update

The Ohio Horseman's Council, Inc. Celebrating 40 years of progress and still growing!

After 40 years, and who knows how many thousands of volunteer hours spent planning, building, and maintaining trails, working with government agencies, promoting fabulous events for all breeds of equine and horsemen who enjoy their horses in a wide variety of disciplines, planning wonderful camp outs and trail rides, looking out for the welfare of horsemen and horses, and staying on top of legislative issues, and so much more, it's time to puff out our chest and say "WOW" look at the progress we've made in 40 years **and** we're still growing.
