Theme: This is the 40th anniversary of the Ohio Horseman's Council. So let's look to the future and how things will be 40 years from now. **Make a poster of what YOU think horses and horseback riding will be like 40 years from now in 2052. How could things be different from now?**

Use your imagination: Here are a few questions to start you thinking about 40 years from now -- What will the horses look like? What will the tack be like? What will you wear to ride? Where will you keep your horse? What will they eat? Where will they sleep? How will you transport them? Where will you ride? What kinds of events will we have in the future? Will there be barrel racing or something else?

Let your imagination run wild and create an exciting and/or beautiful poster for the contest.
